This is a decision on the petition, filed September 9, 2005, requesting the restart of the response period due to non-receipt of Office action, which is being treated as a Petition to Withdraw the Holding of Abandonment of the above-identified application, under 37 CFR §1.181. Although a Notice of Abandonment has not yet been mailed, the instant application went abandoned for failure to respond to the Office action (non-final) mailed January 6, 2005 upon expiration of the six month statutory period which expired on July 6, 2005.

According to the MPEP §711.03(c), the showing required to establish non-receipt of an Office action includes the following:

- 1) a statement from practitioner that the Office action was not received,
 - 2) a statement from practitioner that the file jacket and docket records were searched,
 - 3) a copy of the docket record at the address of record, and
 - 4) a reference to the docket record in the practitioner's statement.

In support of the petition, applicants' representative provides a statement that the Office action was not received and that a search of the file jacket and document records has been performed. Finally, Petitioner makes reference to the docket record provided in the instant petition.

Petitioner has established non-receipt of the Office action according to the requirements set forth above. Accordingly, the petition is **GRANTED**.

The application is being forwarded to the Supervisory Legal Instruments Examiner with instructions to restore the instant application to pending status, before **REDATING** and **REMAILING** the non-final Office action (originally mailed January 6, 2005) to the applicant.
